Building Entrepreneurial Capacity for Migrants and Refugees Through Online Learning (BECFM) Open Call

We invite to join our e-learning platform and courses, in order to increase awareness about how to set up a new business, develop knowledge and experiences of the different subject and be able to find a better employment positions.

About BECFM Project

The project's main objective is to provide professional training for refugees and migrants, leading to better employment opportunities and living conditions. By developing the abilities of refugee trainers and acquiring knowledge of intermediary organizations catering to the needs of the refugee community, the integration of refugees will be fast-tracked into the labour market or the start-up of a business while promoting the development of innovative and effective development mechanisms ensuring employment.

What are we looking for?

We are looking for immigrants and refugees that want to educate themselves about:

- The context of migrant employability and entrepreneurship
- The EU tools for entrepreneurship of refugees
- EU Skills Assessment tools for better working conditions/employment

This open call is addressed to adult man/ women refugees and migrants, over 18 years old, who:

- Live in Turkey, Greece, Italy, Austria and Norway and know the any those countries' language, English or Arabic.
- Are you facing any difficulties setting up a new business or finding a new job?
- Are you interested in getting involved in an entrepreneurial project?

What will participants do?

Participants will join the online courses and reembarc into learning different subjects, in order to achieve the goals of the program and enhance their entrepreneurship abilities as well as find better working conditions/employment.
